Our Company

We are serving our customers as a 4PL provider since 2014 under Tradezone Logistics brand. Our focus is on **providing sea transportation and logistics solutions.**

We started our operations in 2014 in İstanbul and later we opened our London office in 2017; with both offices we are sourcing freight and logistics services around the globe to best serve our customers' needs.

We are committed to truly understanding our customers' businesses and provide tailored services and solutions that move them.

Our promise is to look after our customers' benefits with our experienced staff that can fastly response varied requirements.

Mission

Moving away the complexity of logistics for our heavy logistics dependent clientele.

We will do that by:

- Understanding our Customers' Goals.
- Constantly sourcing new transportation and logistics products.
- And delivering anything needed in between.

Vision

Take the logistics out of equation to bring the best out of the world.

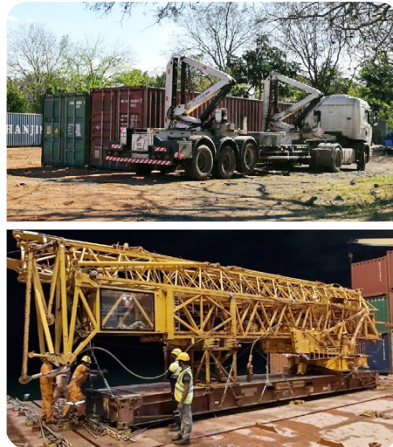

Our Services

Ocean and Air Freight

We offer door to door multimodal transportation for containerized and breakbulk cargo. Whether it is LCL, FCL, out of gauge or RORO; we follow up closely so you don't have to.

Project Contract Logistics

We arrange delivery of cargo all the way to your site. We deal with your vendors directly to pick up cargo, ship the goods, arrange customs clearance and deliver all the way to your sites for contracted projects.

Commodity Shipments

We offer containerization from bulk vessels as well as direct containerized shipments from origin countries. We cater specific needs of commodities regarding quality control and documentation.
